## **Professional Skills**

---

After more than 40 years in the shipping business, including 10 as PANDI correspondent in France and West Africa, more than 30 years as surveyor, I am well experienced in all kinds of maritime transport, especially in agricultural tropical products and oil products, from the technical point of view as well as from the legal position.

Pre-shipment surveys, Loading surveys, quality surveys, on varying cargoes such as COFFEE, COCOA, BANANAS, PINEAPPLES, SHEA NUTS, COTTON SEEDS CAKE, LITCHEES as well as large Outturn Surveys of bagged RICE from India, Pakistan, Bangladesh, Thailand, Viet man (about 200, 000Tons per Year) and Refrigerated cargoes.

Quality/Quantity controls of imports/exports of all PETROLEUM PRODUCTS (CRUDE & WHITE Products), Quality / Quantity surveys on REFRIGERATED CARGO such as CITRUS FRUIT and VEGETABLES from North & West Africa, South Africa, South America and Egypt, as well as Pre-shipment surveys of STEEL CARGO (Coils).

On-hire surveys, Off-hire surveys, Draft surveys, Ullage surveys and controls of all kinds of cargoes, such as VEGETABLE OILS, ORES/COALS IN BULK, CONTAINERS and REEFER CONTAINERS.  
Condition Surveys and Damage/Repairs surveys of PORT CONSTRUCTIONS such as jetty, Dyke, Breakwater, Wharf..
